

Lithofin KF Grout Cleaner

Description

A special product from the LITHOFIN-Range for ceramics, quarry tiles and porcelain (KF). This concentrated cleaner based on alkalines and does not contain any solvents. Active cleaning components are combined with grease and dirt dissolving auxiliary agents.

Properties

Lithofin KF Grout Cleaner dissolves organic dirt, especially oil and grease. After rinsing, the tiles and grout lines are hygienically clean.

Technical Data:

Density: approx. 1.0 g/cm³

pH-Value: approx. 12

Appearance: liquid, clear, brownish

Odour: unspecified

Solubility in Water: completely

Field of Use

For restoring the original colour and appearance of grout lines, and for thoroughly degreasing and cleaning grout in kitchens and bathrooms.

Directions for Use

Put a squirt of Lithofin KF Grout Cleaner onto a moist sponge and apply to the surface to be cleaned. Allow to work for 10 to 15 minutes. In case of very stubborn dirt, use neat and allow to work longer. Support the cleaner by brushing occasionally. Always rinse well with plenty of clear water.

Please Note: we highly recommend testing the product's suitability in an inconspicuous area prior to use. Do not use on surfaces sensitive to alkalines, such as polished marble, lacquered and varnished surfaces, etc. Do not use on hot surfaces.

Coverage: approx. 10 m²/L

Storage

Closed and cool. Do not store in temperatures above 25°C. Shelf life approx. 3 years.

Environmental Protection

The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to EWC/AVV 07 06 08*.

Bottles/canisters are made of environmentally friendly polyethylene and can be recycled (see information on label).

Safety

UFI: 7D70-Q047-J00H-Q7Y2

Ingredients: potassium hydroxide, <5% non-ionic surfactants.

Labelling according to EU-Directive 1272/2008(CLP):

Symbol 05, Danger

Potassium hydroxide.

May be corrosive to metals. Causes severe skin burns and eye damage. Keep out of reach of children. Keep only in original container. Wear protective gloves/protective clothing/eye protection/face protection. IF SWALLOWED: rinse mouth. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up.
